

ZURN® PEX® Plumbing Systems

Zurn PEX®

Alumicor® Tubing

Alumicor is a five-layer pipe that combines the advantages of metal pipe and plastic pipe while eliminating the disadvantages of both at the same time.

Versatility

- Improves heat transfer and acts as an oxygen barrier
- Helps prevent corrosion of ferrous components
- Bends easily and stays in place
- Easy to handle and has a malleable characteristic
- Manufactured to the ASTM Standard 1281 and is backed by a 25-year warranty
